1.5. Purpose of the processing

The purpose of this processing operation is to record personal data considered necessary to ensure the working conditions and health of staff in a pandemic situation, such as the COVID-19 circumstances.

This applies, notably to the identification of participants for all meetings organised by CINEA, including internal meetings, meetings with external participants, stakeholders' meetings, conferences, etc. taking place in CINEA or Commission premises as well as on external venues. The aim is to centrally register participants to meetings, to identify them in case an infection among meeting participants occurs so as to take all necessary measures to protect the health of staff.

This also applies to the collection of any lists with the name of staff members and all information deemed necessary aiming at ensuring and regulating the presence of staff in CINEA premises before, during and after a pandemic situation. This includes lists of staff presence or lists organization of staff shifts to ensure working conditions and health of staff when resuming normal work after a pandemic situation.

This applies also to identify critical staff for any relevant measures (e.g. such as to be authorized to come to the office during a quarantine period , etc.).

It aims also to inform the relevant staff members (AHCC /AIPN, i.e.: Director), HR, relevant managers, etc) of staff suffering from a pandemic situation in order to take any appropriate measures to protect other staff members.

The purpose is also to process the necessary personal data to enable certain staff members (e.g.: with special ID card) and their family listed in SYSPER to obtain relevant certificates (e.g. COVID vaccination certificate etc.) from the relevant hosting Member State 's authorities.

Finally, it aims at taking any relevant decision, which may be needed during a pandemic situation.

1.6. Legal basis for the processing

Lawfulness: Article 5.1 (a), (a2), (b) & (e) of the Regulation:

(a) processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body,

(a2) including processing of personal data necessary for the management and functioning of the Union Institutions or bodies [Recital (22) of the new Regulation]

(b) processing is necessary for compliance with a legal obligation to which the controller is subject;

(d) the data subject has given consent to the processing (e.g. to obtain COVID 19 related certificate from the hosting Member State's authorities, etc) ;

(e) processing is necessary in order to protect the vital interests of the data subject or of another natural person.

The legal basis references which apply to the probation period report are contained in:

1.11. Transfers of personal data to third countries or international organisations

Not applicable

1.12. Description of security measures

Paper files are stored in locked cupboards that are accessible to authorised staff members only.

All data in electronic format (e-mails, uploaded batches of data, etc.) are stored either on the servers of the CINEA or the European Commission.

It is recommended to all the internal stakeholders involved in this processing to exclusively use the encrypted (S/MIME aka SECEM) security email system.

Access to data is safeguarded by the internal European Commission IT systems (e.g. SYSPER, etc), which protect against external users accessing the data. Access to electronic files is protected via the Commission security measures (use of password & ECAS authentication system, etc).

In order to protect the personal data, CINEA has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.

CINEA is also bound by Commission Decision 2017/46 of 10/1/17 on the security of communications & information systems in the EC.
