Who can apply?

Any legal entities established in the European Union or in countries associated to the LIFE programme.

How to apply

Go to the European Commission's [funding & tender opportunities portal](#) where you will find information on LIFE Calls for proposals as well as further instructions on how to submit your application.

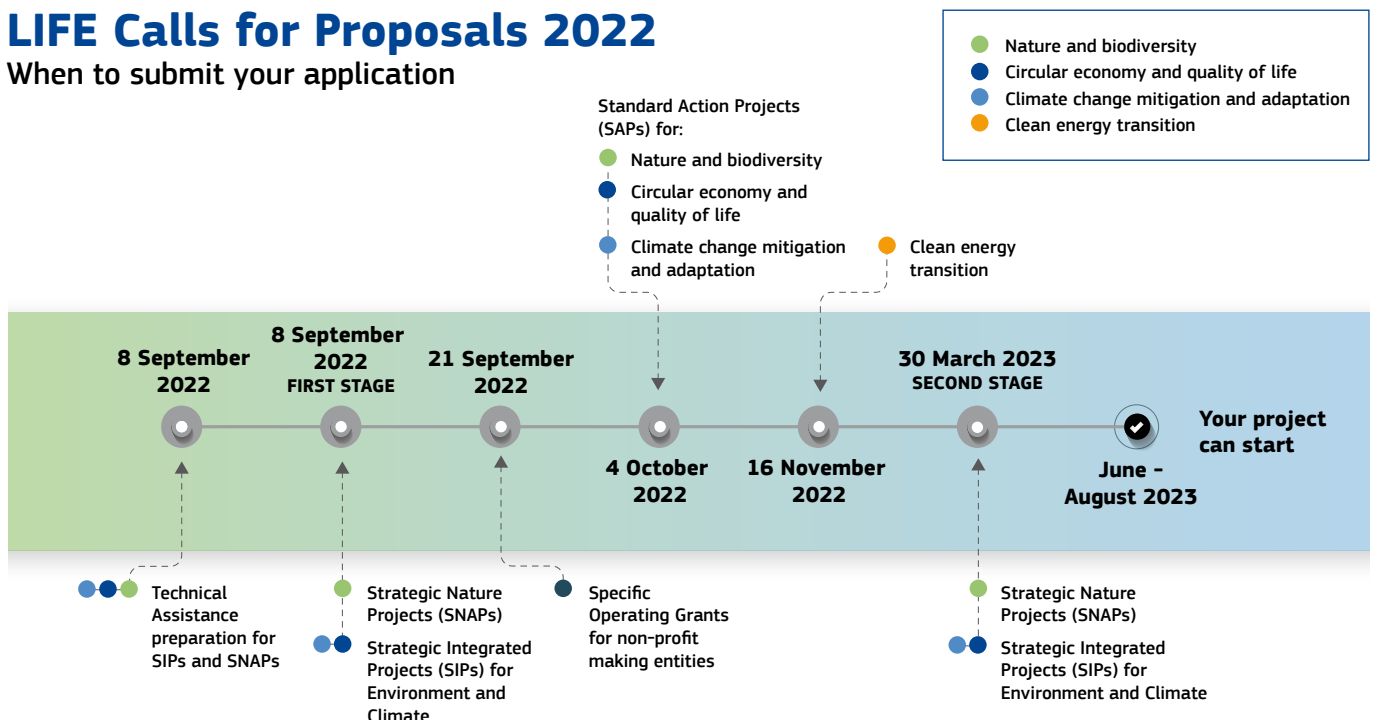

We welcome projects that:

- Protect Europe's nature by halting and reversing biodiversity decline.
- Enhance the circular economy through new technologies and solutions.
- Protect, restore and improve the environment and as a result, people's life quality.
- Cut greenhouse gas emissions, increase climate change resilience and boost awareness of climate change mitigation.
- Accelerate the clean energy transition through a greater uptake of energy efficiency and renewable energy solutions.
