# Welcome to CINEA

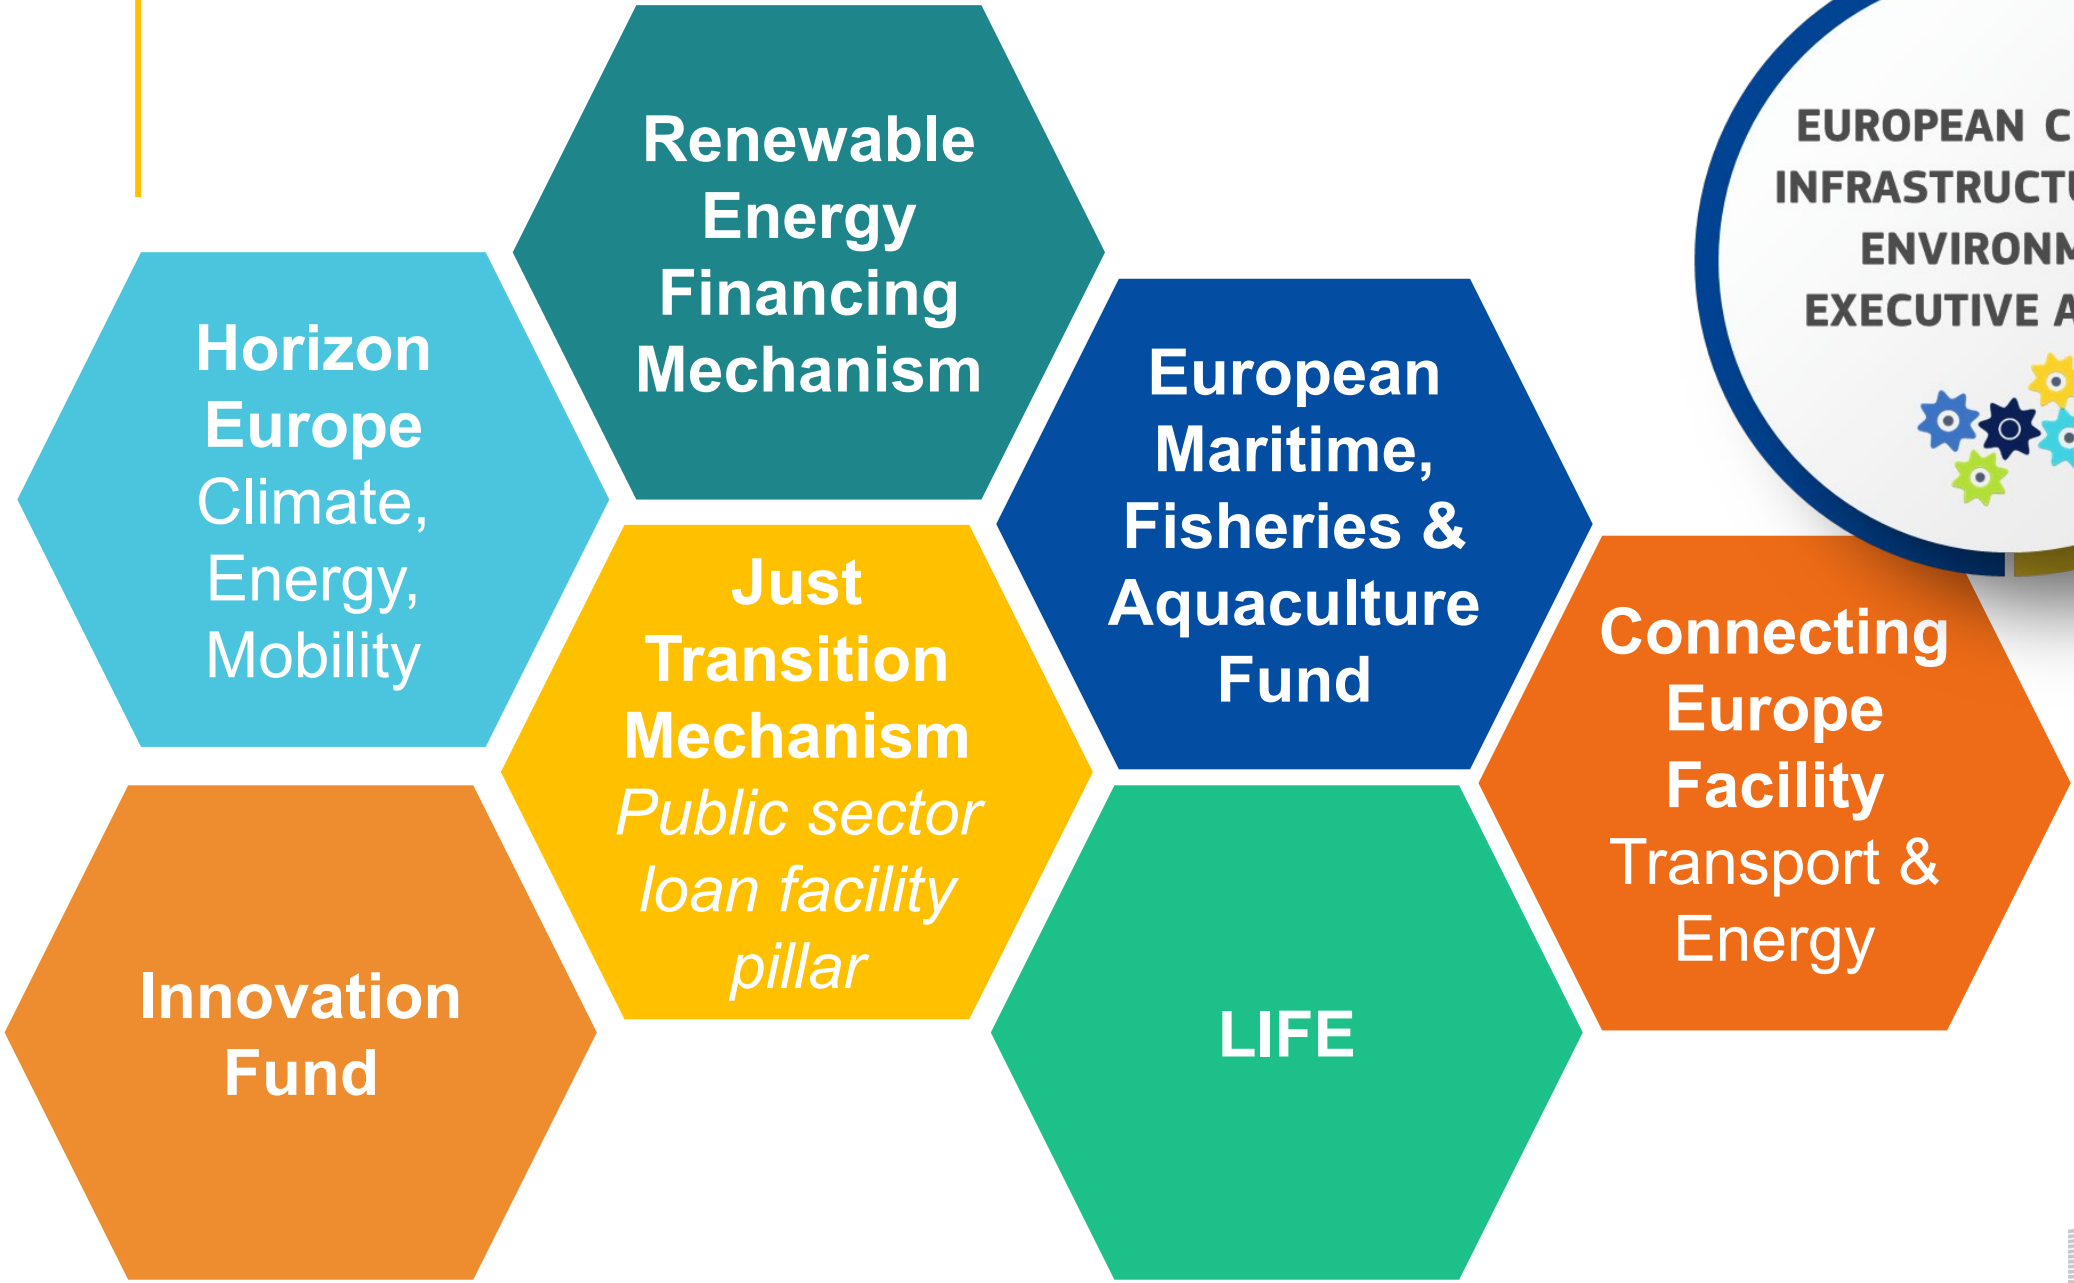

- **CINEA - the Climate, Infrastructure and Environment Executive Agency** started its operations on 1 April 2021
- Combining programmes, legacies, projects and staff from two previous executive agencies - INEA and EASME
- Adding new 2021-2027 programmes

# Key contribution to the European Green Deal

- Implementing CINEA's portfolio supports the **European Green Deal** - the roadmap for making the EU's economy **sustainable**
- Aiming to boost the efficient use of resources by moving to a clean circular economy, restore biodiversity, cut pollution, and achieve **climate neutrality by 2050**

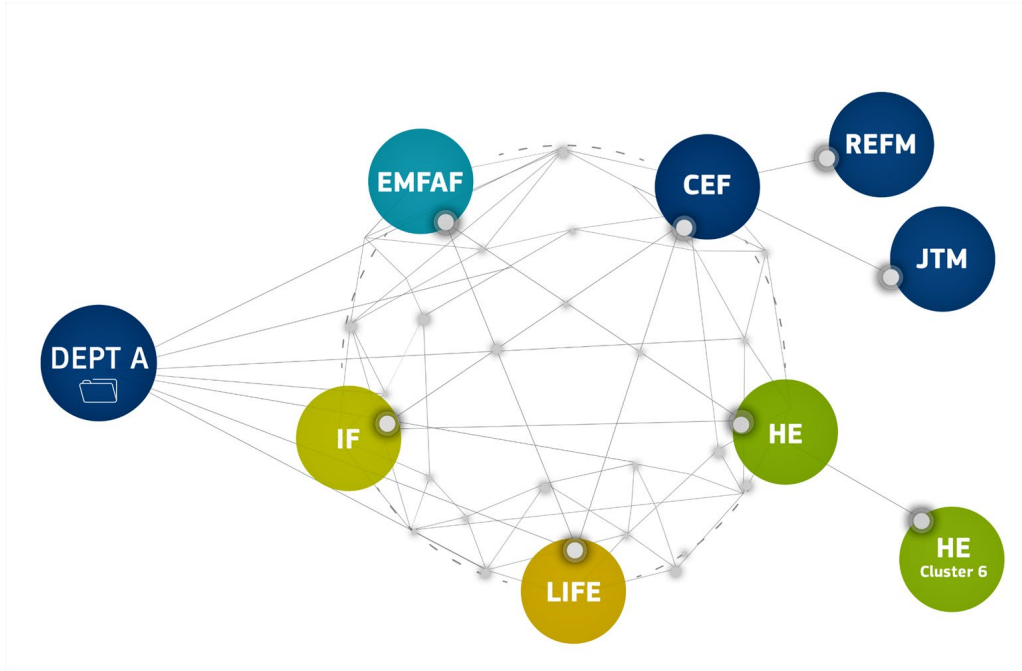

# Focal point for green and infrastructure projects

- CINEA is the EU **focal point** for green and infrastructure projects
- Our **added value**:
  - promoting **funding** and providing **green advisory services**
  - **engaging** with beneficiaries + stakeholders
  - raising **visibility** of programme **results**
  - **providing feedback** to the European Commission on project and programme implementation results
  - exploring areas for **harmonisation + synergies**

# Synergies

- CINEA manages all EU programmes focusing on **climate, energy and mobility**
- Creating **synergies** between all programmes fighting climate change is vital
- The Agency is ideally placed to ensure this – to achieve the highest impact for a **greener Europe**

# European Maritime, Fisheries and Aquaculture Fund (EMFAF)

- Targeting public support for the **Common Fisheries Policy (CFP)**, the **Integrated Maritime Policy (IMP)**, the **blue economy** and the EU's agenda for **international ocean governance**
- Projects will support more sustainable fishing and aquaculture practices, the growth potential of the blue economy, protection of marine ecosystems, and mitigation of climate change

# Pilot Project Funds

A Pilot Project is an initiative of an experimental nature designed to test the feasibility of an action and its usefulness
