# Disclaimer

The recording of this Info Day as well as the presentation support materials, are made public to provide potential applicants with general guidance to help them complete their proposals.

## **If there is any conflict between:**

- the information provided during the Info Day session itself, its recording, the Financial Information File tutorial recording, and the presentation support materials on the one hand, and
- the provisions set out in the official Innovation Fund call text as well as the related FAQ posted on the Funding and Tender portal on the other,

➤ ***the latter two documents take precedence over the materials from the Info Day and act as the text of reference for the Innovation Fund Call 2024.***
