Disclaimer:

The recording of the Information day held on 07 December 2023 for the Innovation Fund Call 2023, as well as the presentation support materials, are made public to provide potential applicants with general guidance in order to help them complete their proposals.

If there is any conflict between:

- the information provided during the Information day session itself, its recording, the Financial Information File tutorial recording, and the presentation support materials on the one hand, and
- the provisions set out in the official Innovation Fund call text as well as the related FAQ posted on the Funding and Tender portal on the other, the latter two documents take precedence over the materials from the Information day and act as the text of reference for the Innovation Fund Call 2023.
