Innovation Fund-H2020 synergy workshop, 8 February, 2023

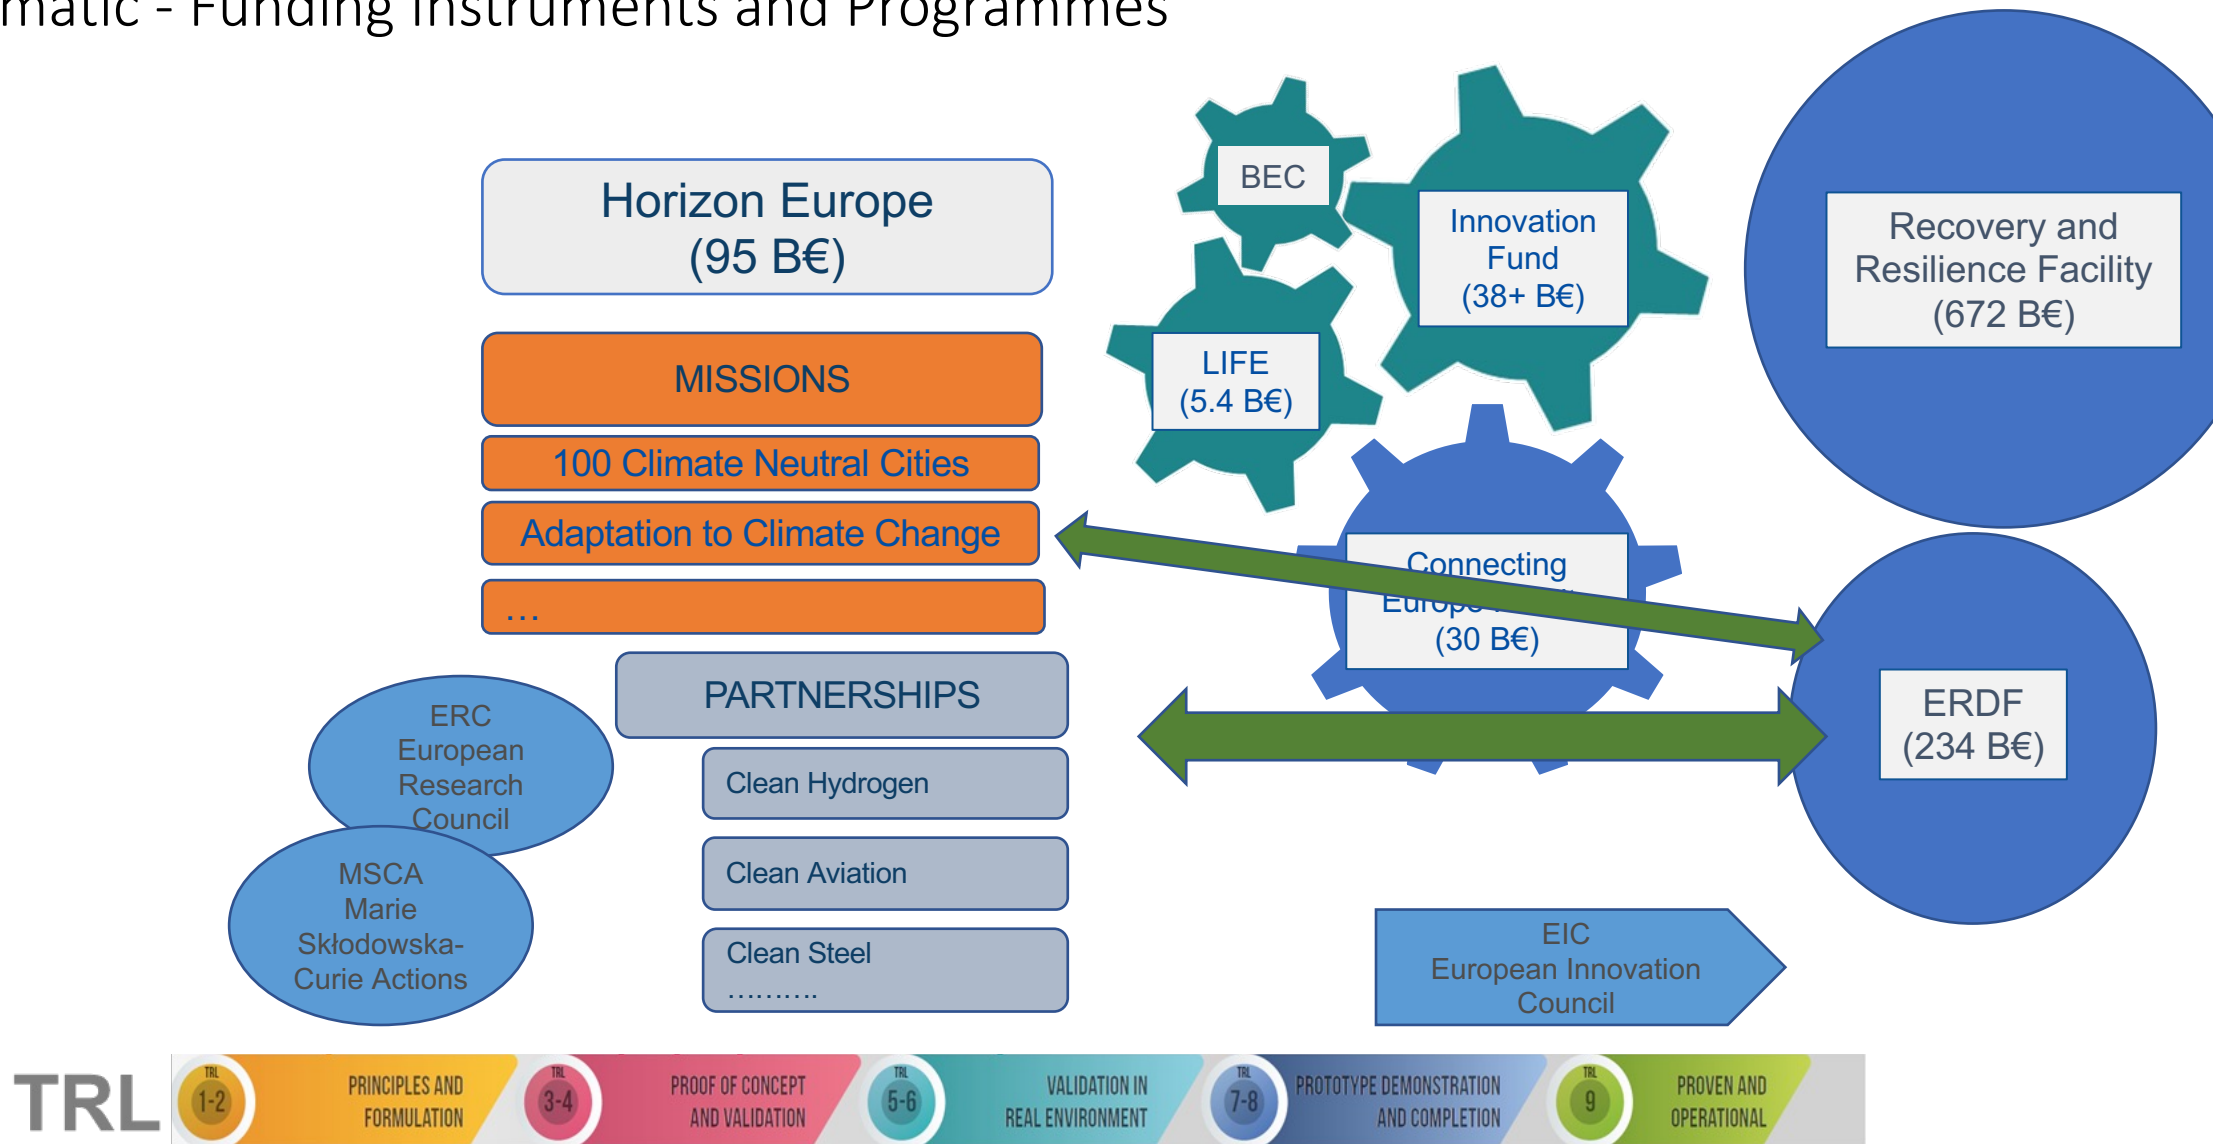

Schematic: Instruments and Programmes of Horizon Europe

Schematic Funding Instruments and Programmes

Schematic - Funding Instruments and Programmes

Summary

Synergies between **instruments** and **programmes** are being encouraged and even designed into the system

The transition from **'mature' H2020** and, eventually Horizon Europe, **projects** to the **Innovation Fund** is a logical pipeline along the TRL line

We hope this **workshop** will elaborate the transition and lead to more systematic use if this transition

Thank You
