

Technical Assistance for Replication TA-R Call 2024

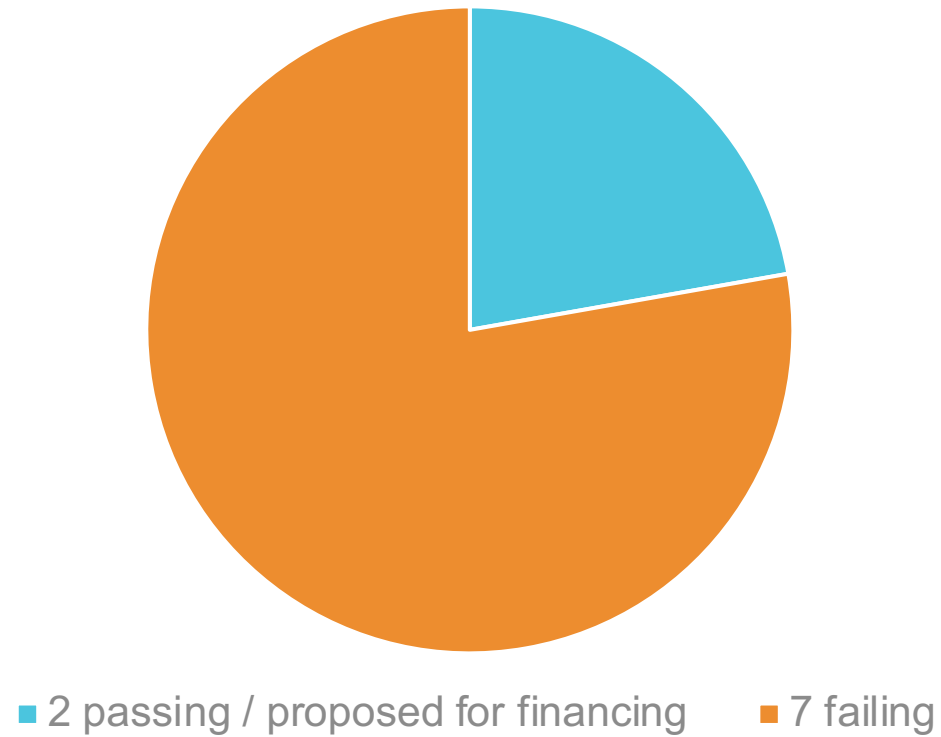

LIFE Info Days, 23 April 2024

Ana Klenovšek, CINEA

LIFE TA-R 2023 RESULTS

Success rate

Role of LIFE Programme is...

... to produce and demonstrate solutions which can then be applied more broadly across Europe

Role of TA-R is...

... to facilitate this uptake to ensure that LIFE has the largest impact possible

Regulations

Fake news

Norms

Lack of financing

Scope

Focus on facilitation / support / assistance:

- to removing legislative / regulatory barriers that prevent replication / upscaling
- to removing technical barriers to enable scale up and/or replication of results
- to scaling up / replicating project results (focus on the steps)
- to facilitate access to other EU/non-EU financial instruments

1 TOPIC

Nature & Biodiversity

Circular Economy and
Quality of Life
