1.4. **Name and contact details of processor (where applicable)**
   Please refer to the relevant data protection notice for accurate information on the relevant contractor where applicable\(^4\)

1.5. **Purpose of the processing**
   The **purpose of the processing** is to manage/organise virtual and physical meetings and events for communication purposes including the processing of contact lists, invitations, participants’ lists, reports, feedback on communication activities, follow-up activities (meeting, communication actions, etc.), news, publications, interviews, photos, videos or recording of events, etc.

   This processing contributes to the functioning of CINEA and the development of its communication strategy as executive agency of the European Commission.

   The primary purpose is to contact participants ahead of and after the event to give them specific information and/or ask for feedback about the events for further improvements.

   Furthermore, CINEA aims at establishing a contact list of people who gave their consent to be informed by CINEA about similar events and funding opportunities in the future and/or to network with other participants to the event.

   Additionally, those persons who gave their consent share a subset of personal data (e.g. contact lists) for networking purposes.

---

\(^3\) *This part of the record will be published on CINEA website and should be aligned with the information provided in the DP notice*

\(^4\) *Where external contractors are involved in organising certain events on behalf of CINEA*
Another purpose will be to publish on CINEA’s communication channels interviews with the participant(s) including personal data such their names, function and photo, according to the consent form signed by them.

The processing of personal data is required for the external communication policy of the Agency in order to represent the Agency and promote its activities and the results achieved by the projects for which the implementation is entrusted to the Agency.

1.6. Legal basis for the processing

- Council Regulation (EC) No 58/2003 of 19 December 2002 laying down the statute for executive agencies to be entrusted with certain tasks in the management of Community programmes;

- Commission Decision C(2021) 947 of 12 February 2021 delegating powers to the European Climate, Infrastructure and Environment Executive Agency with a view to the performance of tasks linked to the implementation of Union programmes in the field of transport and energy infrastructure; climate, energy and mobility research and innovation; environment, nature and biodiversity; transition to low-carbon technologies; and maritime and fisheries; comprising, in particular, implementation of appropriations entered in the general budget of the Union and those stemming from external assigned revenue;

- European Commission strategic plan (DG COMM)

1.7. Categories of data subjects

All participants in events, meetings and communication activities organised by CINEA. This includes external stakeholders that register on a voluntary basis to physical or virtual communication activities such as for instance info days and individuals that would like to be informed about CINEA events and funding opportunities in the future. It encompasses also, those that would like to network, speakers and organisers (e.g. distribution of event participants’ lists, etc.) and those who are the subject of interviews for communication purposes.

1.8. Categories of personal data

- Title
- First Name
- Last Name

- European Ombudsman;
- European Data Protection Supervisor (EDPS);
- OLAF;
- The Internal Audit Service of the Commission;
- The Court of Auditors within the tasks entrusted to it by Article 287 of the Treaty on the Functioning of the European Union of the EC Treaty;
- The European Public Prosecutor’s Office.

1.11. Transfers of personal data to third countries or international organisations
Not applicable

1.12. Description of security measures

Electronic access to data is only possible via restricted access on an individual need to know basis and through User-ID and password via the ECAS (European Commission Authentication Service). Personal data resides on the servers of the European Commission, which abide by strict security measures implemented by DG DIGIT to protect the security and integrity of the relevant electronic assets.

CINEA is bound by Commission Decision 2017/46 of 10/1/17 on the security of communications & information systems in the EC.

1.13. Data Protection Notice

Specific Data Protection Notices (DPN) applicable to this data processing and customised to the events concerned are available on the relevant webpage of the events. These DPN are customised in case of specific needs (e.g. EUSEW, etc.). The consent forms to process personal data are communicated to the relevant data subjects via email with either the DPN or a link to it.

A dedicated data protection notice with general information on how personal data is processed by the Agency in case of use of cookies and social media is also available on the website of the Agency.
