

# InvestEU Advisory hub

**DG MOVE – Julie BUY  
Transport Investment**

# EU advisory support under InvestEU

## Continuity and simplification

- Building on existing successful advisory initiatives: ELENA, CEF (through JASPERS), EIAH, InnovFin Advisory

- Soft transition: Rollover of current advisory programmes (e.g. ELENA, EIAH, InnovFin Advisory) and new advisory initiatives (e.g. Advisory for Public Sector Loan Facility) under the InvestEU Advisory Hub provided by the EIB + other new Advisory Partners
- Simplified access: InvestEU Advisor Hub central entry point hosted by European Commission will facilitate access to EU funded advisory support

# InvestEU Advisory Hub in the project cycle

## UPSTREAM

- **Policy & programme** advice
- **Project Pipeline** Identification
- **Preliminary** project assessment

## PREPARATION

- **Technical advice** to promoters prior to appraisal (demand studies, Cost-benefit Analysis)
- Advice on **financial structuring** (PPPs, investment platforms & 'innovative' projects)
- Selection (ToR) & supervision of **consultants** for technical and financial studies to support project preparation

## IMPLEMENTATION

- Advice on **project implementation**
- **Enhanced monitoring** in delayed projects

## CAPACITY BUILDING

**Capacity building** on technical issues – **Cooperation** centres of expertise - **Dissemination** best practices & case studies – **Needs Assessment** for project advisory support
