

# The roles of DG REGIO, EIB, CINEA and Applicants

Cristóbal Millan de la Lastra, Head of Unit, CINEA

Slido #JTMPSLF

# EC and EIB

**The European Commission (DG REGIO and CINEA) is responsible for the **grant component** of the facility**

- Adoption of work programmes
- Call launch and evaluation process of the grant component
- Assessment of award and prioritisation criteria
- Award decisions and grant agreements through eGrants
- Monitoring of the grant component

**The European Investment Bank is responsible for the **loan component** of the facility**

- Assessment of applications in respect of the loan component
- Preparation and execution of financing agreements
- Monitoring of the loan component

# DG REGIO and CINEA

## DG REGIO defines the policy

- Defines strategy, objectives and priority areas/work programmes
- Assesses (jointly with CINEA) and selects projects
- Makes programme decisions
- Evaluates the programme and the Agency's performance

## CINEA turns policy into action

- Assesses projects (jointly with REGIO)
- Manages the project lifecycle:
  - Organises calls for proposals and evaluations
  - Monitors technical/financial implementation of projects
  - Manages communication actions (Info Days, website, publications)
- Provides feedback on programme implementation for policymaking

# Applicants

## **Consult the relevant Territorial Just Transition Plan**

Links to Territorial Just Transition Plans can be found on the [Just Transition Platform](#)

## **If needed, request advisory support from the InvestEU Advisory Hub**

Request can be sent through the [InvestEU Advisory Hub - Central Entry Point](#)

## **Prepare projects and submit a grant Application Form and a loan request**

Templates and guidance are available on the [Funding and Tenders Portal](#) and on the [Regional development & cohesion \(eib.org\)](#)
